This screenshot shows a detailed view of a movie entry. On the left is the movie poster for "Elemental", which depicts various colorful, elemental characters like water, fire, and earth. To the right of the poster, the movie title "Elemental" is displayed in a large, bold, pink font. Below the title is the tagline "Opposites react.". Underneath that are the runtime "102", release date "2023-06-14", and IMDB rating "7.596". A small YouTube play button icon is also present. The main plot summary reads: "In a city where fire, water, land and air residents live together, a fiery young woman and a go-with-the-flow guy will discover something elemental: how much they have in common."

This screenshot shows a detailed view of a movie trailer. The main image is the same "Elemental" poster as before. Overlaid on the bottom right is a video player window titled "Elemental | Official Trailer". The video player includes controls for "Ver más ta..." and "Compartir". The trailer itself shows the characters from the movie in a theater setting. A text overlay on the right side of the trailer window says "live together, a fiery cover something".
